Remarks

South Natick gem located on the Dover line with all that Natick has to offer and close to Wellesley. Enter this welcoming Cape to the fireplaced dining room that opens into the well appointed kitchen complete with center island. Down the hall, past the half bath and first floor laundry, step down into the bright, spacious family room featuring large windows and custom built ins for TV and storage. French patio doors open to the outdoor stone patio and fenced back yard. Off the family room is a "bonus" room and a first floor private office. Second floor spacious master suite greets you with lots of natural light and cathedral ceilings. The bath features both a shower and tub. Two additional bedrooms and second bath are also on the second floor. Basement is partially finished with lots of potential. IMPORTANT NOTE: The septic system is a 3BR and is currently being updated. The lawn will be re-graded and seeded once work is completed. It will be like new! Excuse our appearance while work is being done.
